

**STATEMENT OF CANDIDATE FOR
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT**

R. Jan Pinney

Occupation: Incumbent/Business Owner

Education and Qualifications: My Business Management degree and three professional designations, including Chartered Financial Consultant, enable me to positively contribute solutions to budgetary and fiscal challenges the District faces.

Experience: Incumbent. Experience serving on the Finance Committee, the Technology Action Team and two years as Board President. Honored as a Placer County School Board Association Outstanding Trustee in 1999 and 2003. Founding Board Member of the Eureka Schools Foundation.

Business and Professional: Owning a small business that employs 30 people allows me to bring a business perspective to educational opportunities and challenges. As the current State President of a national financial services association and a former member of the Sacramento County Red Tape Task Force, I know how to positively deal with diverse interests for the betterment of all.

Focus: Improved educational opportunities for all students. Broader and more rigorous classes to better prepare our children for life beyond high school. Expand existing partnerships with businesses beyond our health and technology academies, and our engineering, architecture, construction, business and journalism ventures with the Sacramento Bee, Intel, HP, NEC and other local businesses. Eliminate school crowding.

I would appreciate your vote. Please call me at 773-2800 with suggestions or questions.
